

DUMBARTON HOUSE

ANNUAL REPORT

FISCAL YEAR 2014

SEPTEMBER 2013 – AUGUST 2014

Headquarters & Museum ~ The National Society of The Colonial Dames of America

LETTER FROM THE EXECUTIVE DIRECTOR AND CHAIRMAN

Dear Friends,

Many thanks to all of you for making Fiscal Year 2014 a Star Spangled Success here at Dumbarton House! As the site that hosted Dolley Madison in August 1814 as she fled the threatening British during the War of 1812, Dumbarton House played a pivotal role in commemorating the Bicentennial of the War here in Washington as part of the region's *Star Spangled Summer*. This patriotic theme underpinned our entire year of programming, exhibitions, and preservation at your NSCDA national headquarters and museum.

Record numbers of visitors—over 23,000—accessed Dumbarton House offerings and media attention spanned the globe as a result of our Bicentennial efforts. Highlights of our many tours, festivals, lectures, and two temporary exhibitions—*Five Generations of Nourse Family Artists* and *Homefront 1812*—are included in the following pages. A true highpoint included the DC Society-sponsored Citizenship Ceremony for recently naturalized children held on Francis Scott Key's Birthday in August. Key, a local Georgetown lawyer, famously penned the Star Spangled Banner while watching the Battle of Baltimore at Fort McHenry during the War of 1812.

In April, we welcomed current and former Dumbarton House Board members for a Star Spangled Celebration Reunion, showcasing newly installed wallpaper in the museum's Lower Passage. Outside, a new holly tree was dedicated, archaeology assessments undertaken, and our air conditioning chiller compressor replaced following an electrical surge during a storm. Behind the scenes, volunteers worked to re-house NSCDA archives materials, and staff supported a workshop of NSCDA museum properties representatives in Florida.

The entire board and staff team here at Dumbarton House are grateful for the support of so many donors, volunteers, and friends who allow us to advance the mission of this historic headquarters and museum each and every year. The following days promise to bring even more Star Spangled Success, as we implement exciting new Strategic Plans for Dumbarton House and the NSCDA. We look forward to sharing progress with you throughout the year, and thank you for your commitment to preserve this site.

Most sincerely,

Anna F. Duff
Chairman, Dumbarton House Board

Karen L. Daly
Executive Director

Income Fiscal Year 2014
\$1,067,152

Expenses Fiscal Year 2014
\$970,064

Income and expense amounts are based on preliminary, unaudited figures. Instead of depreciation, capital expenditures are reported, and investment income includes only the amount drawn from invested funds, not the total return on investments. Fiscal Year 2014 ended with a surplus of \$90,089

We extend our profound gratitude to all Fiscal Year 2014 donors for your continued generosity and support of Dumbarton House. Although every effort has been made to include all donors who supported Dumbarton House with gifts of \$50 or more between September 1, 2013 and August 31, 2014, omissions and errors may occur. Please forward any corrections or additions to Info@DumbartonHouse.org with "Annual Report" in the subject line.

From April to August 2014, Dumbarton House commemorated the 200th anniversary of the burning of Washington during the War of 1812 in conjunction with a regional Star-Spangled Summer celebration. Special programs highlighted the bravery local Washingtonians showed during the war, and many centered on Dolley Madison's legendary flight from the White House to Dumbarton House in 1814 before she joined her husband in Virginia. These programs, along with general museum visitation and guests of private events, account for over 23,000 visitors served at Dumbarton House in fiscal year 2014.

In August, Archaeologists from the William & Mary Center for Archaeological Research conducted a Phase 1 survey, funded by the National Trust for Historic Preservation, on the grounds of Dumbarton House. A large number of nineteenth and twentieth century fragments, five prehistoric artifacts (including a nearly complete spear point/chisel) and the confirmation of the site of an old stable from the early 19th century were discovered during the survey.

In January, members of the Dumbarton House Board participated in New York Antiques week. The group was led by Deputy Director & Curator, Scott Scholz. Some of the highlights of the trip included private tours of Graham Arader's Gallery and home, the Levy Gallery and Dick Jenrette's Baker House. There was also a tour and lunch of the Winter Antiques Show.

A little less than a year after a direct lightning strike to the chiller caused compressor failure in our HVAC system, an electrical surge after another storm fried the compressor for a second time in the summer of 2014. Upgrading the HVAC system is a top priority in the 2014-2019 Strategic Plan.

The DC Society-sponsored a Citizenship Ceremony for recently naturalized children held on Francis Scott Key's Birthday in August.

In April, Dumbarton House hosted a special Dumbarton House Board Reunion for 60 current and former board members. Last fall, Executive Director Karen Daly and Deputy Director & Curator Scott Scholz presented at the Museum Properties workshop in Palm Beach. Topics included accreditation, budgeting, and other issues related to historic house stewardship. Throughout the year, volunteers worked on the NSCDA Archives, removing elements that pose a threat to the collection (metal paper clips, staples, etc.) and upgrading the materials' housing to archival quality. The project is ongoing and will ultimately result in a more accessible collection.

Homefront 1812: Friends, Family, and Foe was a special exhibition for our commemoration of the War of 1812 presenting what life on the home front was like during the war. A highlight was a c.1810 Dolley Madison gown, generously loaned by the NSCDA in MA.

The exhibition Five Generations of Nourse Family Artists was a unique display of Nourse family treasures illustrating five generations of artists, all direct descendants of Joseph and Maria Nourse. Items from the Dumbarton House collection, combined with objects loaned by the Warrenton Antiquarian Society at Weston Farmstead, and family members, revealed the fascinating story of a family that cultivated artistic talent from the 18th century through the present. Nourse descendants joined us for a special reunion to preview the exhibition and visit the Weston Farmstead, another Nourse property in the area.

SAVE THE TERRACE

Investigations into a crack along the Belle Vue Room exterior wall revealed that the Upper Terrace balustrade is separating from the wall due to oscillating temperatures of the winter and summer months. It was determined that expansion joints need to be installed to alleviate the effects of these temperature changes and the balustrade will need to be entirely replaced. A special campaign was held in conjunction with 2014 Spring Board Meeting & Reunion to raise money to defray costs of the necessary preservation of the Upper Terrace. MISSION

The mission of Dumbarton House, headquarters of The National Society of The Colonial Dames of America, is to support the NSCDA Corporate Societies and their members, to maintain an historic museum property, which serves as a resource for the NSCDA nationally, and to contribute to the cultural life of the surrounding community.

Through the interpretation of its historic site and collections, the Dumbarton House Museum promotes the understanding of historic preservation and of the early history of our nation, so that the lives and ideals of early Americans inspire current and future generations.
